

ABOUT US

Founded in faith in 1983, we are a 501c3 faith based nonprofit. Our mission is to meet the physical, emotional, and spiritual needs of all people to whom we minister daily.

Board of Directors (16 members) provide oversight and accountability

Primary Service Areas: Enterprise, Elba, Geneva

Over 40 employees and dozens of volunteers

Bargain Centers in Enterprise, Elba, and Geneva help financially support our ministries to help people.

Rev. John and Mae Belcher
Founder, Executive Director

Recovery Food Benevolence Shelter

Food

HOT MEALS FOR THE HOMEBOUND

Two to three times per week, our kitchen prepares hot meals for disabled and homebound citizens. Our volunteer teams then deliver these meals to their homes while providing a friendly, caring presence. In 2021, we delivered over 39,000 of these meals.

FOOD BOXES/FOOD PANTRY

Our on-site food pantry supplies food boxes to families in crisis situations, supplies the kitchen with food for walkup meals and New Life client meals, and serves as a hub for the Wiregrass Food Bank in distributing food to outlying agencies.

WALK UP MEALS

Citizens in need are able to receive a hot meal three times a day, seven days a week. This isn't intended to meet a long-term need, but we provide an emergency assistance until a permanent solution can be secured. We also feed our New Life program clients three times a day as well.

HOLIDAY MEALS

For Thanksgiving and Christmas, we provide meals either on site or by partnering with local restaurants and agencies to feed those in need.

Benevolence

Working with our Benevolence Counselor, citizens may receive help in the emergency situations of their lives. Below are a list of the various types of benevolence assistance we provide:

- Rent/Mortgage
- Utility (power, water, etc.)
- Transportation (including bus tickets)
- Medical Equipment (for loan)
- Emergency Medication
- Bargain Store vouchers (furniture, clothing, appliances, etc.)

WAYS TO SUPPORT US!

Volunteer Your Time

Help sort the food pantry, write donor letters, deliver meals on a route, etc.

Bring a church, business, military, or civic group...or just serve as an individual!

Contact our volunteer coordinator at volunteer@christmissions.org

In-Kind Donations

Donate used quality furniture, clothing, electronics, appliances, shoes, toys, or knick knacks

Food Donations

Donate non-perishable canned food items to our kitchen

FINANCIAL CONTRIBUTIONS

Make a tax deductible cash, check, or online contribution to support our ministry!

Online contributions may be given at www.christmissions.org

Enterprise Store: 317 N. Main St.
Elba: 342 N. Court St
Geneva: 801 E. Town Ave

PRAY FOR OUR MINISTRY

New Life Recovery

Started in 1998, the New Life Recovery Program is a faith based, Christ-centered substance abuse recovery ministry for men and women. Individuals may come through a court referral or on a voluntary basis.

Three Phases of New Life Recovery

PRE-ADMIT

Men or women can choose to enter New Life in a "pre-admission" status. While waiting on the next class to begin, clients begin working, attending devotions and church services, and begin getting acclimated to their daily schedule.

PROGRAM

A six-month work/study program utilizing a Gospel centered curriculum designed to help men and women truly break free from drugs and alcohol in their lives. Students also receive job preparation training through the "Ready to Work" program offered by ESCC

AFTERCARE

Upon graduating the six-month program, a New Life client may apply to enter Aftercare where they spend up to a year preparing to transition back into society again. Clients must have a fulltime job while in Aftercare. They receive money management and job skills training. Housing and meals are provided on site.

Shelter

Our on-site emergency shelter can hold up to eight citizens for up to 72 hours. If we are unable to shelter them, we refer out to local hotels and partnering agencies to find shelter.
